To

C. S. Balasundaram Iyer Esquire B.A.

Offg. Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments.

Sir,

I have the honor to invite your kind reference to this office letter No. 360 dated 17th March 1910 recommending that bi-weekly visits of Hospital Assistant of Koppa to Balgadi official quarters may be ordered in view to render necessary medical assistance to the suffering officials of Balgadi and to request that early orders of Government may be passed in the matter.

2. The Amildar of Koppa has again brought to notice the great difficulty and hardship

hardship experienced by the officials at Balgadi for want of proper medical attendance. One of the Taluk Gumastas living in the Balgadi offical quarters is reported to have lost his wife for want of ready medical aid. I can have very little to add to the grounds urged by me in my letter above referred to for holding a biweekly dispensary at Balgadi and I request that the Government will be pleased to give them their favourable consideration and sanction my proposal.

I have the honor to be,

Sir,

Your most obedient Servant,

S. Chellappan

Deputy Commissioner,

Kadur District.
